Registration

10:00 -12:00

Policy Workshop
“Basic skills or transversal competences?”
Meeting on citizenship dimension of basic skills”

[detailed agenda](#)

We would like to invite you to the exchange about the aims of the Basic Skills Action Plan, but also to think deeper on how the EU’s basic skills related policy initiatives should further develop, what role different sectors of education and learning have and could have, and what aspects in the basic skills action plan should be acknowledged better, to get a clearer view on the fields outside Formal education.

12:00 - 14:00

Light and convivial Lunch

14:00 -17:00

Let’s get practical!

[detailed agenda](#)

Discover the concrete outcomes of the LICEAL project aiming at supporting learners and the professionals of accompagniement in the developement and valorisation of transversal skills and citizenship learning experience, and participate in two workshops :

- How to valorise our competence on the job market?
- How to better accompany as an actor of professional insertion?
